

Benefiting Partner Organization Guidelines

In order to be considered as a benefiting partner with FB4K:

- Organization must work with children (ages 2-18 or still in high school)
- Bikes must be intended primarily for children's use
- Must be one of the listed acceptable types of organizations
 - Schools/community ed programs/parks & rec
 - Public health, clinical/therapeutic medicine, hospitals
 - Social services, food shelves
 - Housing services, public/co-op housing, neighborhood associations
 - Established churches and religious institutions (must meet regularly in a space that is not a house or a public park)
 - After-school programs, youth camps, sports teams (especially bike ones)
- Must be located within a 50 mile radius of Columbia, Maryland and be located within Maryland, and/or must serve families within those boundaries. Organizations that are based in Maryland but send bikes to different states or countries do not meet this criteria.
- Must provide own transportation for bulk pickups, or be willing to arrange for benefiting families to get to the warehouse in Columbia, MD for Giveaway Day
- 501(c)3 tax-exempt Voluntary sector or Public sector
